

Reply to queries raised by prospective bidders of RFP for consultant for availing the Duty Credit Scrip under FTP

1	The tender document only specifies application of duty credit scrip for the FTP period of 2009-14. However, we wish to inform that Bank is eligible for applying for the benefits of the earlier period of FTP, i.e. 2004-09 and the last date of filing the application for the same is 31st March 2012 with applicable late cut. Please clarify whether Bank will be interested for availing the benefit of the earlier period?	All eligible benefit that can be claimed by the Bank will form part of the scope of work.
2	With reference to Annexure IV – Format for BID. Is there a restriction on the quantity of Scrips to be issued in each of the Denominations (VALUE OF SCRIP) ?	Please refer point no. 3 (e) of the RFP.
3	With reference to point 6 – Preparation of BID – Supporting Documents. Will a Board Resolution suffice instead of a Power of Attorney ?	For a company, a Board Resolution authorizing the bidder to sign and submit the bid will be considered as an eligible document in lieu of Power Of Attorney.
